"Highlights"

In this edition we are highlighting **DaNeidra Kelly**. She's a wife, mother, servant at her church and serves others in the healthcare industry. As you read her story, I pray that you are inspired and encouraged regarding our Savior. He is transforming and renewing hearts day after day, month after month and year after year.

In April of 2020 I was diagnosed with COVID. I was working as a nurse in a LTC facility. I really didn't realize I was sick until I had to rush my husband to the Quick Care and we found out that he was in fact positive for COVID. Once we found this out I along with our children were all tested and came back positive. So we all went into quarantine for about 30 days. Once the quarantine was over I was ready to return to the work force. When I was diagnosed it was toward the end of the virus course for me. I had practically worked as a Nurse throughout the entire virus.

I begin a new job in May 2020 and during my workday I begin to feel very tired and weak. I was short of breath just walking from my truck to the building. Then at night I began having what I thought were GI symptoms (gastrointestinal) such as heartburn, nausea and chest pain. I would have to sit up in my bed with my arms stretched out while leaning forward for about 45 minutes every night. I had an EGD (esophagogastroduodenoscopy) at my job and was informed that it wasn't GI related and that I needed to see my cardiologist ASAP. I made an appointment and went the following week. After extensive testing it was determined that I needed to have Triple Bypass Surgery otherwise known as Open Heart surgery. I had 3 total blockages. On July 28th, 2020, the surgery was performed. I was discharged from the hospital and began physical therapy. After 3 months I was released back to work and full duty.

Three years later I am in better shape than I have ever been. Last month I went for a check up and the cardiologist told me that my most recent Echocardiogram was better than the previous one before COVID. My motto has been "Father is doing His best work in me!"

"Featured Story"

In this edition our featured story guest is someone near and dear to this ministry. Who is **Minister Angela Johnson**?

Minister Angela Johnson is a wife, mother, grandmother, minister, mentor, and author. She serves at A Place of Worship Church ministering the gospel and aiding the ministry.

She is a woman that stands out, with a smile and joyful personality you won't forget.

LOVE, that is Minister Angela Johnson. The Bible tells us, if we don't have love, then we are just sounding brass and tinkling cymbals. 1 Corinthians 13:2. She is a woman who is kindhearted, who sincerely believes it is important for us to show love. She often says "Love is an action word. You must show it". "Stand in your truth" and "love selfless" are a few of her other heartfelt mantras. Her Monday Motivations on Instagram are uplifting, sometimes with a hint of humor to get you revved up for the day.

Drawing from her own life experiences, she feels you should never settle, and to reach higher to obtain your dreams. Her mission, to inspire women to live authentically in their personal and professional lives, and to produce a destiny that others will talk about for generations to come.

Her book – **The Authentic Woman** is a blessing to all who read it. In honor of her mother, Ms. Barbara Patterson, her example of an authentic woman. She founded "**The Babs Blessing**". Every year, a deserving authentic woman is selected and given a gift to celebrate their stepping outside of their comfort zone, to accomplish their goals and dreams.

Thank you, Minister Angela Johnson, for continuing the loving, faithful support to JLP Ministries started by your mother, Sister Barbara Patterson, her words of encouragement to me will always be remembered.

Happy Mother's Day

In honor of Mother's Day we'd like to introduce a Special Mother for this edition.

It is with great joy that JLP Ministries celebrates [Mrs. Sophronia E. Dunn-Harris](#). Affectionately known as Mother Harris.

I first met this beautiful woman in 2022 when she came as a guest to A Place of Worship Church. That day she gave me a hug, it was the most anointed hug I think I have ever received. She is now a member of A Place of Worship, and we love her dearly.

Mother Harris is a Dallas, TX native and mother of three sons. We all have faced various life's challenges. She has faced her own, yet despite them, her tenacity to never let them stop her from pressing through to the other side is what "WE NEVER LOSE", looks like. With a heart of intercession, the spirit of helps, and her beautiful smile, she is quick to tell you 'You all are mother's children.'

Her care for God's people can clearly been seen. She really exemplifies the word MOTHER. Happy Mother's Day - Mother Harris.

Mother Sophronia E. Dunn-Harris

"Happy Mother's Day to ALL the Mother's in the world!"

Happy Father's Day

In honor of Father's Day, JLP Ministries, and A Place of Worship Church family would like to recognize Pastor L.E. Price.

Leadership filled with compassion, wisdom, humor, along with his tremendous love for our Heavenly Father describes this man of God. His quiet stance speaks great volumes.

He paints the word of God in 3D. You cannot miss it. He guides with kindness, teaches with great clarity, yet is firm in his stance for righteousness.

His "We Never Lose" attitude has encouraged many who needed it in the most challenging and crucial times of their lives.

When you speak with Pastor Price, your voice is heard. You are never dismissed, disregarded, or disrespected, even in times of correction. You can feel his genuine concern for your natural and spiritual wellbeing.

Just recently he encouraged the church family to remember "Self-Compassion." The importance of having compassion for you, for your body. We are not effective for the Kingdom of God if we are not taking care of ourselves. Self-Compassion.

The Godly standard set by our Heavenly Father, never waivers in Pastor Price. He has shared throughout his ministry the importance of getting the body of Christ back to Father's standard. It starts by going back to the beginning, getting back to the image of God.

Pastor Price, thank you for your commitment, service, and devotion to Abba. You do not talk about what you are doing. You are doing and your life is speaking, touching so many like only the God in you can.

"Happy Father Day to ALL Father's in the world"
